

THANKS FOR USING OUR CHAIRS, IN ORDER TO LET YOU ASSEMBLE THE CHAIR EASILY, PLS READ INSTRUCTIONS CAREFULLY.

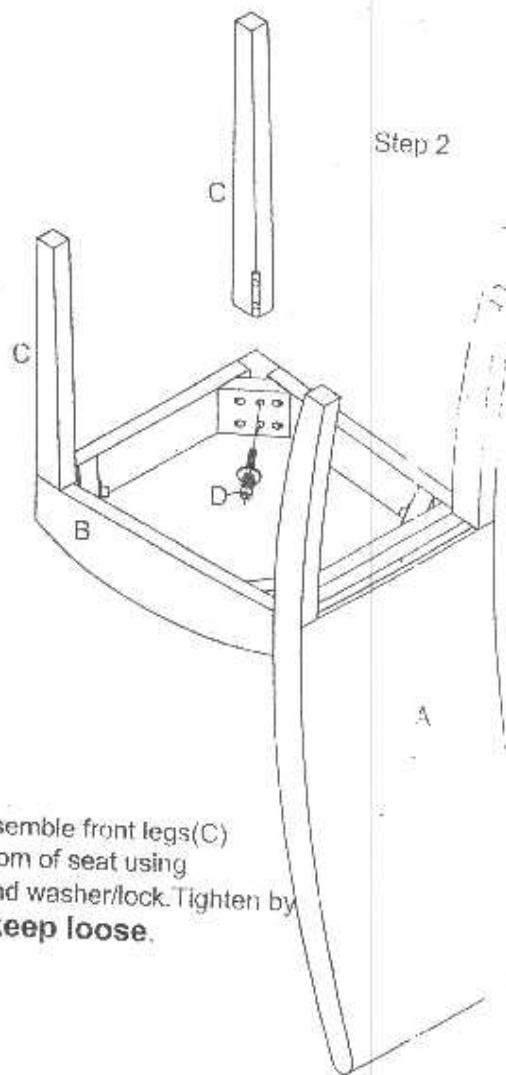

MD-014 (Version 1)

Step 1

Step 1: Assemble seat(B) to back(A).
 A: First use the bolt(D) and washer/lock to attach the seat to the back through the middle hole. Tighten by hand, but keep loose.
 B: Then assemble the seat and back using bolts(E) and washer lock, tightening by hand but **keeping loose**.

Step 2

Step 2: Assemble front legs(C) to the bottom of seat using bolts(D) and washer/lock. Tighten by hand, but **keep loose**.

Step 3

Step 3: Place the chair in loose condition on flat surface(table top or floor), making sure the chair is level, then tighten **all the bolts using the Allen Key(H). Be careful not to overtighten, otherwise you may crack the legs!**

Flat surface
